INTERNATIONAL SCHOOL – TRULY DIFFERENT

Dear students and parents,

It is a great pleasure to address you in the International School newsletter, which shows everything we have achieved during the first term, thanks to shared motivation, hard work and tremendous effort. The first term of the new school year brought many challenges but also numerous unforgettable experiences, strengthened existing friendships and fostered new ones, inspiring us to embark on the pursuit of our goals with even greater enthusiasm and desire.

Throughout this term, we hosted a large number of interesting guests and organised many educational workshops and interactive lectures, once again demonstrating how theoretical and practical knowledge are interconnected in a school that lives up to its motto – Truly different.

Once again, we demonstrated that humanity is one of the inseparable values of the school, a virtue our students truly possess. Our Student Council organised a two-day charity sale of sweets and stories for Halloween. Well done! I am proud of your selflessness!

Our students participated in numerous sports, scientific, musical and various other competitions and conferences and achieved excellent results.

At International School, we marked important dates such as Mental Health Week, where we demonstrated our students' commitment to creating a school environment that is supportive and nurturing. We also marked Media and Information Literacy Week, aiming to encourage the development of critical thinking and research skills in our students.

Thanks to dedicated teachers and expert associates, the school term was filled with creative classes that emphasised an interdisciplinary approach and understanding of the material in a simple and interesting way.

Before You is the seventeenth International School newsletter, which recaps all these events from our perspective. It is time to rest and recharge your batteries in the festive spirit for the new challenges that await us in January. I wish you a wonderful winter break and hope you make the most of it.

As always, I stand at your disposal for any questions and I especially appreciate all your suggestions for the improvement of the school.

Tatjana Vilček,
School Principal

INTERNATIONAL SCHOOL – STVARNO DRUGAČIJA

Dragi učenici i roditelji,

Veliko mi je zadovoljstvo što vam se obraćam u okviru biltena International Schoola, koji prikazuje sve što smo tokom prvog polugodišta postigli zahvaljujući zajedničkoj motivaciji, vrednom radu i ogromnom trudu. Prvo polugodište nove školske godine donelo je mnoge izazove, ali i brojna nezaboravna iskustva, osnažilo postojeća i razvilo nova prijateljstva, podstičući nas da sa još jačim entuzijazmom i većom željom krenemo u ostvarenje ciljeva.

U ovom polugodištu ugostili smo veliki broj zanimljivih gostiju i organizovali mnogo edukativnih radionica i interaktivnih predavanja, čime smo još jednom pokazali kako se teorijska i praktična znanja povezuju u školi koja opravdava svoj moto – „Truly different".

Još jednom smo pokazali da je humanost jedna od neodvojivih vrednosti škole i vrlina koju naši učenici i te kako poseduju, pa je tako naš Savet učenika za Noć veštica organizovao dvodnevnu dobrotvornu prodaju slatkiša i priča. Bravo, ponosna sam na vašu nesebičnost!

Naši učenici učestvovali su na mnogim sportskim, naučnim, muzičkim i mnogim drugim takmičenjima i konferencijama i postigli sjajne rezultate.

U International Schoolu smo obeležili i važne datume poput Nedelje mentalnog zdravlja, kada smo demonstrirali posvećenost naših učenika stvaranju školske sredine koja je puna podrške, ali i Nedelju medijske i informatičke pismenosti s ciljem da podstaknemo razvoj kritičkog mišljenja i istraživačkih veština kod učenika.

Zahvaljujući posvećenim nastavnicima i stručnim saradnicima, polugodište je proteklo u duhu kreativnih časova koji u prvi plan stavljaju interdisciplinarni pristup i razumevanje gradiva na jednostavan i zanimljiv način.

Pred vama je sedamnaesti bilten International Schoola, koji iz našeg ugla podseća na sve ove događaje. Došao je trenutak da se lepo odmorite i u prazničnom raspoloženju napunite baterije za nove izazove koji nas očekuju od januara. Želim vam da se lepo provedete na zimskom raspustu i da ga iskoristite na najbolji mogući način.

Za sva pitanja sam vam, kao i do sada, uvek dostupna, a posebno cenim sve vaše sugestije za unapređenje škole.

Tatjana Vilček,
direktorka škole
