INTERNATIONAL SCHOOL – TRULY DIFFERENT

Dear students and parents,

As we approach the end of another rich and meaningful school year, I would like to take a moment to reflect on the journey we've shared. This has been a time filled with growth, achievements and countless memorable moments that have left a lasting impression on each of us and helped shape our entire school community.

First and foremost, I wish to express my heartfelt thanks to all those who have contributed to our success – our dedicated teachers, supportive parents, and of course, our outstanding pupils. Your commitment, perseverance and daily efforts have been the foundation of everything we have accomplished together, and I am truly proud of each and every one of you.

Throughout the year, our school has been a vibrant hub of curiosity, creativity and collaboration. Our pupils have shone brightly – whether through academic competitions, artistic performances, sporting achievements or community service. They have impressed us time and again with their teamwork, confidence and passion, participating in clubs, events and activities with enthusiasm. We've also hosted numerous inspiring guests and organised a range of educational workshops and interactive lectures, reaffirming our commitment to learning that bridges theory and practice – as befits a school that lives up to its motto: Truly different.

Among many significant events this year were our science fairs, outstanding pupil achievements, the introduction of the Pupil of the Month tradition, and initiatives highlighting the importance of mental health, literature and media literacy. Scientific exploration, creativity and collaboration were at the heart of these experiences. These events not only gave our pupils the opportunity to express their talents and interests but also helped strengthen the bonds of unity and support within our school community.

As we say goodbye to another academic year, I encourage everyone to pause and reflect on the memories we've created and the lessons we've learnt along the way. Let the values of hard work, perseverance and kindness that have defined our school guide us forward, as we continue to strive for excellence in everything we do.

I would like to extend my best wishes to our graduates as they take their next steps in life. Carry with you the knowledge, skills and friendships you've gained at International School, and continue to reach for new heights as you pursue your dreams.

Finally, I would like to express my sincere gratitude to all who made this school year so successful. Your enthusiasm, dedication and pursuit of excellence are truly admirable, and I am honoured to be part of such a remarkable community. Wishing you all a happy, restful and enjoyable summer holiday. Let us look forward to the adventures that await us in the year to come.

Tatjana Vilček,
School Principal

INTERNATIONAL SCHOOL – STVARNO DRUGAČIJA

Dragi učenici i roditelji,

Kako se približavamo kraju još jedne bogate i sadržajne školske godine, želim da zastanemo na trenutak i osvrnemo se na zajednički put koji smo prešli. Iza nas je period ispunjen rastom, brojnim uspjesima i mnoštvom dragocениh trenutaka koji su ostavili dubok trag na svakom pojedincu, ali i na čitavoj našoj školskoj zajednici.

Najpre želim da uputim duboku zahvalnost svima koji su dali doprinos ovoj zajednici – našim predanim nastavnicima, podržavajućim roditeljima i izuzetnim učenicima. Vaša predanost, posvećenost i svakodnevni trud činili su temelj svih uspeha koje smo zajedno ostvarili, i izuzetno sam ponosna na svakog člana naše škole.

Tokom cele godine, škola je bila mesto živosti, znatiželje i inspiracije. Naši učenici su blistali – bilo kroz akademska nadmetanja, umetničke nastupe, sportske uspehe ili kroz angažman u zajednici. Svojim učešćem u raznovrsnim aktivnostima – od klubova do vannastavnih projekata – pokazali su snagu timskog duha, samopouzdanja i kreativnosti. Zajedno smo ugostili brojne zanimljive goste i održali mnoge radionice i predavanja, potvrđujući našu posvećenost obrazovanju koje povezuje teoriju i praksu – upravo onako kako to čini škola koja živi svoju misiju „Stvarno drugačija”.

Godinu su obeležili brojni važni događaji: naučni sajmovi, učenici meseca, odlični rezultati na takmičenjima, inicijative koje su promovisale važnost mentalnog zdravlja, čitanja i medijske pismenosti, kao i eksperimenti koji su učenike vodili u svet nauke. Ove aktivnosti nisu samo otvorile prostor za izražavanje talenata, već su dodatno učvrstile duh zajedništva i međusobne podrške među učenicima i nastavnicima. Svaki zajednički trenutak bio je dokaz koliko smo jaka i povezana zajednica.

Kako se školska godina završava, pozivam sve da se osvrnu na ono što smo zajedno postigli. Uspomene koje nosimo i lekcije koje smo naučili neka budu inspiracija za dalje korake. Vrednosti kao što su trud, istrajnost i međusobno poštovanje, koje smo gradili svakodnevno, neka nas vode i u budućnosti.

Posebnu pažnju želim da posvetim našim maturantima – neka vam nova poglavlja u životu budu ispunjena samopouzdanjem, znanjem i hrabrošću da sledite svoje snove. Sve ono što ste poneli iz International School-a – prijateljstva, iskustva i veštine – biće vam dragocena podrška u svemu što sledi.

Na kraju, još jednom hvala svima koji su doprineli da ova godina bude ovako uspešna i ispunjena. Vaš entuzijazam, trud i želja za napretkom čine našu školu posebnim mestom i čast mi je što sam deo ove zajednice.

Želim vam bezbrižan, ispunjen i vedar letnji raspust. Uživajte u predahu, jer nas već od jeseni čekaju novi izazovi, projekti i uzbudljive školske avanture!

Tatjana Vilček,
direktorka škole

Nika Varga shares her experience to raise awareness about life in Africa

Lower Secondary students recently attended a series of meaningful presentations delivered by their friend, Nika Varga. What made these sessions particularly special was the fact that they were not part of any school assignment. Instead, Nika took the initiative to research and share her personal experience following a recent trip to Africa.
