# INTERNATIONAL SCHOOL – TRULLY DIFFERENT

**Dear students and parents,**

It gives me great pleasure to address you in the International School's bulletin, which illustrates everything we achieved in the first term thanks to our shared motivation, hard work and dedication. The first term of the new school year brought many challenges, but also numerous unforgettable experiences; it strengthened existing friendships and created new ones, encouraging us to achieve our goals with even greater enthusiasm and desire.

In addition to our fantastic sports achievements throughout the country and the region, we proved to be excellent hosts. We welcomed many interesting guests and hosted educational workshops and interactive lectures, once again showing how theory and practice merge at our school that lives up to its motto – Truly different.

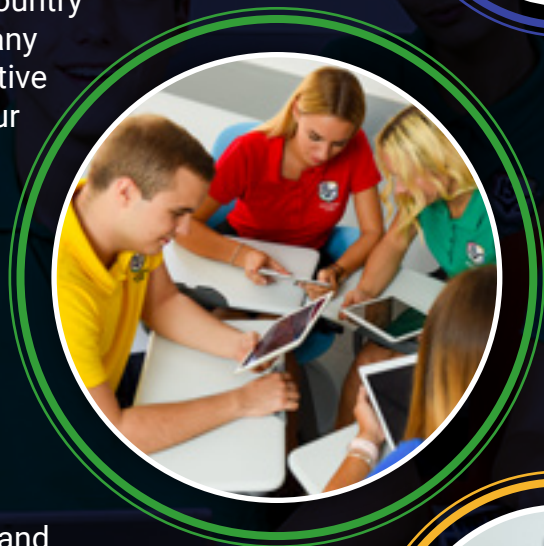

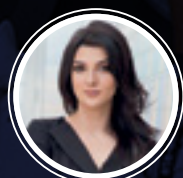

This term, we also showed that altruism is one of the intrinsic characteristics of International School and its students. We donated gifts for the children at the Drop-In Centre which put smiles on the little ones' faces. Well done, I am proud of you! In addition, we achieved excellent results in international competitions and Conferences.

I would particularly like to highlight the way in which we tackled the health crisis and state of emergency. Our creativity, willpower and technological capacities have shown how the International School and its students and teachers can overcome even the most difficult obstacles. Our teachers and associates made sure the students enjoyed creative and interdisciplinary lessons designed to facilitate learning. Finally, we have won many awards and celebrated Christmas break by creating an amazing fundraiser and science fair.

In front of you is International School's 13th bulletin, which gives our accounts of all these events. The time has come for you to rest, enjoy the festive atmosphere of the holidays and recharge your batteries for the challenges that lie ahead come January. Have a lovely winter break and enjoy it to the fullest!

As always, I am here for any concerns you might have and I greatly appreciate all your suggestions for school improvement.

# INTERNATIONAL SCHOOL – STVARNO DRUGAČIJA

**Dragi učenici i roditelji,**

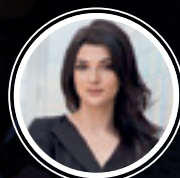

Veliko mi je zadovoljstvo što vam se obraćam u okviru biltena International Schoola, koji prikazuje sve što smo tokom prvog polugodišta postigli zahvaljujući zajedničkoj motivaciji, vrednom radu i ogromnom trudu. Prvo polugodište nove školske godine donelo je mnoge izazove, ali i brojna nezaboravna iskustva, osnažilo postojeća i razvilo nova prijateljstva, podstičući nas da sa još većim entuzijazmom i željom krenemo u ostvarenje ciljeva.

Pored fantastičnih uspeha koje smo postigli na sportskim terenima i u dvoranama širom zemlje i regiona, ostvarili smo se i kao domaćini. Ugostili smo veliki broj zanimljivih gostiju i organizovali mnogo edukativnih radionica i interaktivnih predavanja, čime smo još jednom pokazali kako se teorijska i praktična znanja povezuju u školi koja opravdava svoj moto – „Truly different”.

I ovog polugodišta pokazali smo da je humanost jedna od neodvojivih vrednosti škole i vrline koju naši učenici i te kako poseduju, pa smo tako za decu iz Svratista obezbedili pakete pomoći, koji su izmamili dečje osmehe. Bravo, ponosna sam na vašu nesebičnost! Učestvovali smo i na internacionalnim takmičenjima i konferencijama i postigli sjajne rezultate.

Posebno bih želela da istaknem način na koji smo se suočili sa zdravstvenom krizom i vanrednom situacijom. Kreativnost, volja i tehnološki kapacitet škole došli su do izražaja i pokazali kako International School i njeni učenici i profesori mogu da prevaziđu i najteže prepreke. Zahvaljujući nastavnicima i stručnim saradnicima, polugodište je proteklo u duhu kreativnih časova koji u prvi plan stavljaju interdisciplinarni pristup i razumevanje gradiva na jednostavan i zanimljiv način. Konačno, osvojili smo mnoge nagrade i proslavili početak zimskog raspusta organizacijom izvanredne humanitarne akcije i sajma nauke.

Pred vama je trinaesti bilten International Schoola, koji iz našeg ugla podseća na sve ove događaje. Došao je trenutak da se lepo odmorite i u prazničnom raspoloženju napunite baterije za nove izazove koji nas očekuju od januara. Želim vam da se lepo provedete na zimskom raspustu i da ga iskoristite na najbolji mogući način. Za sva pitanja sam vam, kao i do sada, uvek dostupna, a posebno cenim sve vaše sugestije za unapređenje škole.
