INTERNATIONAL SCHOOL – TRULY DIFFERENT

Dear students and parents,

It gives me great pleasure to address you in International School's bulletin, which illustrates everything we achieved in the second term thanks to our shared motivation, hard work and dedication. The second term of the new school year brought many challenges, but also – numerous unforgettable experiences; it strengthened existing friendships and created new ones, encouraging us to achieve our goals with even greater enthusiasm and desire.

In addition to our fantastic achievements throughout the country and the region, we proved to be excellent hosts. We welcomed many interesting guests and hosted educational workshops and interactive lectures, once again showing how theory and practice merge at our school that lives up to its motto – Truly different.

Also, yet again, we showed that altruism is one of the intrinsic characteristics of International School and its students. We donated gifts for the children at the Drop-In Centre which put smiles on the little ones' faces. Well done, I am proud of you! In addition, we achieved excellent results in international competitions and conferences.

I would particularly like to highlight the way in which we tackled all obstacles on our way to success. Our creativity, willpower and technological capacities clearly demonstrated how International School and its students and teachers can overcome even the most difficult obstacles. Our teachers and associates made sure the students enjoyed creative and interdisciplinary lessons designed to facilitate learning. Finally, we won many awards and celebrated Christmas break by creating an amazing fundraiser and science fair.

In front of you is International School's 14th bulletin, which gives our accounts of all these events. The time has come for you to rest, enjoy the festive atmosphere of the holidays and recharge your batteries for the challenges that September has in store. Have a lovely summer break and enjoy it to the fullest!

As always, I am here for any concerns you might have and I greatly appreciate all your suggestions for school improvement.

Zorana Živanović,
School Principal

INTERNATIONAL SCHOOL – STVARNO DRUGAČIJA

Dragi učenici i roditelji,

Veliko mi je zadovoljstvo što vam se obraćam u okviru biltena International Schoola, koji prikazuje sve što smo tokom drugog polugodišta postigli zahvaljujući zajedničkoj motivaciji, vrednom radu i ogromnom trudu. Drugo polugodište nove školske godine donelo je mnoge izazove, ali i brojna nezaboravna iskustva, osnažilo postojeća i razvilo nova prijateljstva, podstičući nas da sa još većim entuzijazmom i još većom željom krenemo u ostvarenje ciljeva.

Pored fantastičnih uspeha koje smo postigli širom zemlje i regiona, ostvarili smo se i kao domaćini. Ugostili smo veliki broj zanimljivih gostiju i organizovali mnogo edukativnih radionica i interaktivnih predavanja, čime smo još jednom pokazali kako se teorijska i praktična znanja povezuju u školi koja opravdava svoj moto – „Zaista drugačiji”.

I ovog polugodišta pokazali smo da je humanost jedna od neodvojivih vrednosti škole i vrlina, koju naši učenici i te kako poseduju, pa smo tako za decu iz Svrtišta obezbedili pakete pomoći, koji su izmamili dečje osmehe. Bravo, ponosna sam na vašu nesebičnost! Učestvovali smo i na internacionalnim takmičenjima i konferencijama i postigli sjajne rezultate.

Posebno bih želela da istaknem način na koji smo se suočili sa svim preprekama na putu ka uspehu. Kreativnost, volja i tehnološki kapacitet škole došli su do izražaja i pokazali kako International School i njeni učenici i profesori mogu da prevaziđu i najteže prepreke. Zahvaljujući nastavnicima i stručnim saradnicima, polugodište je proteklo u duhu kreativnih časova, koji u prvi plan stavljaju interdisciplinarni pristup i razumevanje gradiva na jednostavan i zanimljiv način. Konačno, osvojili smo mnoge nagrade i proslavili početak zimskog raspusta organizacijom izvanredne humanitarne akcije i sajma nauke.

Pred vama je četrnaesti bilten International Schoola, koji iz našeg ugla podseća na sve ove događaje. Došao je trenutak da se lepo odmorite i napunite baterije za nove izazove koji nas očekuju od septembra. Želim vam da se lepo provedete na letnjem raspustu i da ga iskoristite na najbolji mogući način.

Za sva pitanja sam vam, kao i do sada, uvek dostupna, a posebno cenim sve vaše sugestije za unapređenje škole.

Zorana Živanović,
direktorka
