INTERNATIONAL SCHOOL STUDENTS WON 23 MEDALS IN THE STEMCO COMPETITION

UČENICI INTERNATIONAL SCHOOLA OSVOJILI 23 MEDALJE NA TAKMIČENJU „STEMCO“

INTERNATIONAL SCHOOL – TRULY DIFFERENT

Dear students and parents,

It is my great pleasure to address you in the International School newsletter, which illustrates everything we achieved during the first term thanks to our shared motivation, hard work and tremendous effort. The first term of the new school year brought many challenges, but also numerous unforgettable experiences. It strengthened existing friendships and created new ones, encouraging us to achieve our goals with even greater enthusiasm and greater desire.

This term, we welcomed many interesting guests and organised many educational workshops and interactive lectures, once again showing how theoretical and practical knowledge are connected at our school that lives up to its motto – Truly different.

Also, yet again, we showed that altruism is one of the intrinsic characteristics of the International School and its students. We donated aid packages for the children at the Drop-In Centre, which of course put smiles on their faces. Well done, I'm proud of you and your altruism!

We also participated in international competitions and conferences and achieved excellent results. We should especially highlight the outstanding success at the StemCo competitions, where our students won as many as 23 medals. Also, it should be mentioned that this term our long-term commitment to ecology was recognised and awarded a certificate that confirms that the International School has the status of an international eco-school.

Thanks to our dedicated teachers and expert associates, we spent the term in the spirit of creative classes that prioritise and put focus on an interdisciplinary approach and on presenting the learning material in a simple and interesting way, thus contributing to a better understanding of it.

In front of you is the International School's 15th newsletter, which gives our accounts of all these events. The time has come for you to have a good rest, enjoy the festive atmosphere of the holidays and recharge your batteries for the new challenges that January has in store. Have a nice time during the winter break and use it in the best possible way.

As always, I stand at your disposal for any questions you might have, and I greatly appreciate all your suggestions for school improvement.

Tatjana Vilček,
Executive Manager

INTERNATIONAL SCHOOL – STVARNO DRUGAČIJA

Dragi učenici i roditelji,

Veliko mi je zadovoljstvo što vam se obraćam u okviru biltena International Schoola, koji prikazuje sve što smo tokom prvog polugodišta postigli zahvaljujući zajedničkoj motivaciji, vrednom radu i ogromnom trudu. Prvo polugodište nove školske godine donelo je mnoge izazove, ali i brojna nezaboravna iskustva, osnažilo postojeća i razvilo nova prijateljstva, podstičući nas da sa još jačim entuzijazmom i većom željom krenemo u ostvarenje ciljeva.

U ovom polugodištu ugostili smo veliki broj zanimljivih gostiju i organizovali mnogo edukativnih radionica i interaktivnih predavanja, čime smo još jednom pokazali kako se teorijska i praktična znanja povezuju u školi koja opravdava svoj moto – „Truly different”.

Još jednom smo pokazali da je humanost jedna od neodvojivih vrednosti škole i vrlina koju naši učenici i te kako poseduju, pa smo tako za decu iz Svratista obezbedili pakete pomoći, koji su izmamili njihove osmehe. Bravo, ponosna sam na vašu nesebičnost!

Učestvovali smo i na internacionalnim takmičenjima i konferencijama i postigli sjajne rezultate. Posebno treba istaći izvanredan uspeh na StemCo takmičenjima, na kojima su naši učenici osvojili čak 23 medalje. Takođe, treba pomenuti i da je u ovom polugodištu naša višegodišnja posvećenost ekologiji prepoznata i nagrađena sertifikatom koji potvrđuje da je International School nosilac statusa međunarodne eko-škole.

Zahvaljujući posvećenim nastavnicima i stručnim saradnicima, polugodište je proteklo u duhu kreativnih časova koji u prvi plan stavljaju interdisciplinarni pristup i razumevanje gradiva na jednostavan i zanimljiv način.

Pred vama je petnaesti bilten International Schoola, koji iz našeg ugla podseća na sve ove događaje. Došao je trenutak da se lepo odmorite i u prazničnom raspoloženju napunite baterije za nove izazove koji nas očekuju od januara. Želim vam da se lepo provedete na zimskom raspustu i da ga iskoristite na najbolji mogući način.

Za sva pitanja sam vam, kao i do sada, uvek dostupna, a posebno cenim sve vaše sugestije za unapređenje škole.

Tatjana Vilček,
Izvršni menadžer

Šta je učenje zasnovano na empatiji i zašto je važno da ga primenjujemo

📅 23. decembar 2022.

Obrazovanje zasnovano na empatiji je pristup obrazovanju koji se fokusira na podsticanje i razvijanje emocionalne inteligencije kod učenika. To podrazumeva učenje u kom su obzirnost prema drugima, razumevanje, saosećanje i empatija na prvom mestu.
