INTERNATIONAL SCHOOL – TRULY DIFFERENT

Dear Students, Parents, and Guardians,

As we come to the end of another enriching academic year, I would like to take a moment to reflect on the incredible journey we have shared together. It has been a year filled with growth, achievement, and countless memorable experiences that have shaped both our individual lives and our school community as a whole.

First and foremost, I want to extend my heartfelt gratitude to our dedicated educators, supportive parents, and, of course, our exceptional students. Your unwavering commitment to excellence has been the driving force behind the success of our school, and I am immensely proud of each and every one of you.

Throughout the year, our school has been a hub of activity, buzzing with energy and enthusiasm. From academic competitions to artistic performances, athletic achievements to community service initiatives, our students have truly excelled in every aspect of school life. Whether it was showcasing their talents on stage, demonstrating their prowess on the sports field, or participating in various clubs and organizations, our students have continually impressed us with their passion, dedication, and spirit. We have hosted a large number of interesting guests and organised many educational workshops and interactive lectures, once again demonstrating how theoretical and practical knowledge are interconnected in a school that lives up to its motto – Truly different.

Among the many highlights of this year were our LEAMUN, accentuating the importance of mental health, literature, and the power of media, exploring science experiments together as well as many other endeavors. These events not only provided our students with opportunities to showcase their talents and interests, but also fostered a sense of camaraderie and unity within our school community. It was truly inspiring to see our students come together, support one another, and celebrate each other's achievements.

As we bid farewell to another school year, I encourage each of you to take a moment to reflect on the memories we have created together and the lessons we have learned along the way. Let us carry forward the values of hard work, perseverance, and kindness that have defined our school community and continue to strive for excellence in all that we do.

I would like to take this opportunity to wish our graduating students the very best as they embark on the next chapter of their lives. May you carry with you the knowledge, skills, and friendships you have gained during your time here at the International School, and may you continue to reach new heights and achieve your dreams.

In closing, I want to express my sincere appreciation to everyone who has contributed to making this school year a resounding success. Your passion, dedication, and commitment to perfection are truly commendable, and I am honored to be a part of such an incredible community.

I wish you all a safe, relaxing, and enjoyable summer break. Let us look forward to the adventures that await us in the coming year.

School Principal**

INTERNATIONAL SCHOOL – STVARNO DRUGAČIJA

Dragi učenici, roditelji i staratelji,

Dok se približavamo kraju još jedne ispunjene školske godine, želim da iskoristim ovaj trenutak da se osvrnem na neverovatno putovanje kroz koje smo zajedno prošli. Bila je to godina ispunjena rastom, postignućima i bezbrojnim nezaboravnim iskustvima koja su oblikovala naše individualne živote i čitavu našu školsku zajednicu.

Pre svega, želim da izrazim svoju iskrenu zahvalnost našim posvećenim prosvetnim radnicima, roditeljima punim podrške i, naravno, našim izvanrednim učenicima. Vaša nepokolebljiva posvećenost savršenstvu bila je pokretačka snaga uspeha naše škole i izuzetno sam ponosna na svakoga od vas.

Tokom godine, naša škola je bila centar aktivnosti, prepun energije i entuzijazma. Od akademskih takmičenja do umetničkih nastupa, sportskih postignuća do inicijativa u službi zajednice, naši učenici su se zaista istakli u svakom aspektu školskog života. Bilo da su pokazivali svoje talente na sceni, demonstrirali svoju veština na sportskom terenu ili učestvovali u raznim klubovima i organizacijama, naši učenici su nas neprestano impresionirali svojom strašću, posvećenošću i duhom. Ugostili smo veliki broj interesantnih gostiju i organizovali mnoge edukativne radionice i interaktivna predavanja, još jednom pokazujući kako su teorijsko i praktično znanje povezani u školi koja ispunjava svoj moto – Zaista drugačija.

Među mnogim važnim događajima ove godine, izdvajaju se naš LEAMUN, naglašavanje važnosti mentalnog zdravlja, književnosti i moći medija, zajedničko istraživanje naučnih eksperimenata, kao i mnogi drugi poduhvati. Ovi događaji nisu samo pružili našim učenicima priliku da pokažu svoje talente i interes, već su i ojačali osećaj zajedništva i jedinstva unutar naše školske zajednice. Bilo je zaista inspirativno videti kako se naši učenici okupljaju, podržavaju jedni druge i slave međusobne uspehe.

Dok se oprštam od još jedne školske godine, pozivam svakoga od vas da se za trenutak osvrne na uspomene koje smo zajedno stvorili i lekcije koje smo naučili usput. Neka nas vrednosti napornog rada, upornosti i ljubaznosti koje su definisale našu školsku zajednicu prate i dalje, dok težimo ka izvrsnosti u svemu što radimo.

Želim da iskoristim ovu priliku da našim maturantima poželim sve najbolje dok započinju sledeće poglavje svojih života. Sa sobom ponesite znanje, veštine i prijateljstva koja ste stekli tokom svog boravka ovde, u International School-u, i nastavite da težite novim visinama i ostvarujete svoje snove.

Za kraj, želim da izrazim svoju iskrenu zahvalnost svima koji su doprineli tome da ova školska godina bude uspešna. Vaša strast, posvećenost i težnja ka savršenstvu su zaista za pohvalu i počašćena sam što sam deo tako neverovatne zajednice.

Želim vam svima srećan, opušten i prijatan letnji raspust. Radujmo se avanturama koje nas čekaju u narednoj godini.

**Tatjana Vilček,
direktorka škole**
