INTERNATIONAL SCHOOL – STVARNO DRUGAČIJA

Dragi učenici, roditelji i staratelji,

Kako se približavamo kraju još jedne školske godine, sa ponosom se osvrćemo na sve ono što smo zajedno ostvarili. Iza nas je period ispunjen radom, učenjem i iskustvima koja su dodatno osnažila našu školsku zajednicu i potvrdila vrednosti koje Savremena svakodnevno neguje.

Zahvaljujem se našem posvećenom nastavnom timu, roditeljima na stalnoj podršci i, pre svega, učenicima, čija su energija, radoznalost i inicijativa obeležili ovu godinu. Tokom školskih meseci, International School je bio mesto bogatog školskog života – od akademskih, umetničkih i sportskih uspeha, do projekata koji imaju širi društveni značaj.

Posebno želim da istaknem humanitarni bazar, koji su naši učenici samostalno osmislili i realizovali. Njihova odgovornost, kreativnost i empatija pokazali su da obrazovanje u našoj školi ne podrazumeva samo lična postignuća, već i brigu o drugima i zajednici. Upravo takvi primeri najbolje oslikavaju vrednosti koje želimo da prenesemo mladim ljudima.

Dodatnu potvrdu kvaliteta našeg rada dobili smo i kroz izuzetne pohvale visokih predstavnika Cambridge Assessment International Education, koji su prepoznali naš pristup nastavi i posvećenost razvoju učenika. Ta podrška predstavlja snažan vetar u leđa i motivaciju da nastavimo da unapređujemo ono što radimo.

Tokom godine, kroz gostujuća predavanja, radionice, projekte i zajedničke aktivnosti, naši učenici su imali priliku da povežu teoriju i praksu, razvijaju kritičko mišljenje i grade osećaj pripadnosti školskoj zajednici. Posebne čestitke upućujem maturantima, pred kojima su novi izazovi i prilike, uz želju da znanja i iskustva stečena u ovoj školi budu njihov siguran oslonac.

Hvala svima koji su doprineli da ova školska godina bude uspešna i sadržajna. Želim vam prijatan i zaslužen letnji raspust i radujem se novim susretima i uspesima u narednoj školskoj godini.

**Srdačno,
Tatjana Vilček
direktorka škole**

INTERNATIONAL SCHOOL – TRULY DIFFERENT

Dear students, parents and guardians,

As we approach the end of another school year, we look back with pride on everything we have achieved together. Behind us is a period filled with hard work, learning and experiences that have further strengthened our school community and reaffirmed the values that Savremena nurtures every day.

I would like to express my sincere thanks to our dedicated teaching team, to parents for their constant support, and above all to our students, whose energy, curiosity and initiative have defined this year. Throughout the school months, International School has been a place of vibrant school life – from academic, artistic and sporting achievements to projects with a broader social impact.

I would especially like to highlight the humanitarian bazaar, which our students independently conceived and organised. Their responsibility, creativity and empathy showed that education at our school is not only about personal achievement, but also about care for others and for the wider community. Examples like these best reflect the values we strive to pass on to young people.

Additional confirmation of the quality of our work came through the outstanding praise we received from senior representatives of Cambridge Assessment International Education, who recognised our approach to teaching and our commitment to student development. Their support is a strong encouragement and motivation to continue improving everything we do.

Throughout the year, through guest lectures, workshops, projects and shared activities, our students had the opportunity to connect theory with practice, develop critical thinking skills and build a strong sense of belonging within the school community. I would also like to extend special congratulations to our graduates, who are now facing new challenges and opportunities, with the wish that the knowledge and experiences gained at this school will remain a strong foundation for the future.

Thank you to everyone who contributed to making this school year successful and meaningful. I wish you a pleasant and well-deserved summer break, and I look forward to new meetings and successes in the coming school year.

**Kind regards,
Tatjana Vilček
School principal**
